DIRECTOR OF CENTRAL INTELLIGENCE

STAT

The Honorable Philip W. Buchen
Counsel to the President
The White House
Washington, D.C. 20500

Dear Phil:

Per our conversation. This is the Counsel's list which they intend to present to the Senator Church Committee today at 3:00 p.m. Staff left a clear impression with me that the extent of response to these matters was negotiable and that their intent is not to gather in a lot of useless data.

They have suggested a further meeting next week at which time some of these matters can possibly be satisfied in a more incremental fashion. They also advised me that a similar request for information is being developed for the FBI and the DoD intelligence agencies. This, obviously, will be a subject that I plan to raise at the USIB Ad Hoc Group meeting on Friday. Meanwhile, I am parsing this list to determine what information is readily available and on which we have no particular hang ups.

Sincerely

[redacted]

Associate Deputy to the DCI
for the Intelligence Community
